

Document Delivery Request Form

The library provides a document delivery service for journal articles not available in the ICTP collection. We normally supply the documents at no cost for you within 3 working days. However, **we may apply a small recovery fee** if we cannot obtain the documents from the network of libraries with which we have established a service based on reciprocity. In this case, we will inform you of the cost before proceeding.

Please note the more complete your request is, the faster we can process it. Thus we recommend you to:

- Check if the journal is present in our **ICTP Library Catalogue**. (<http://cat.ictp.it/>);
- Check the reference in **Web of Science**. (<http://apps.webofknowledge.com/>);
- Try also **Google** (<http://google.com/>) and **Google Scholar** (<http://scholar.google.com/>).
